Hey !
Thanks for signing up to volunteer for Timbits On Ice Volunteers 2015. Your job & shift information is below.

This is an automatic message from Bow Valley Hockey Society. If you do not recognize this email, simply delete it.

You are confirmed for:

1. **On Ice Lead** [Trico Centre # 1] / Saturday, September 12th from 6:00AM - 9:00AM

The on ice lead is a volunteer who has a significant amount of coaching and or instructing experience. They are responsible for implementing the practice plan provided to them by the MHO. BVHS requires an on ice lead for the conditioning skates as well as the skills session #1 for each age group. Please note that just because an individual is selected for an on ice lead position, they are NOT guaranteed a head coach position. The on ice lead is also required to facilitate the on ice drills and is required to ensure that the on ice helpers know what is expected of each of them. The on ice lead will assign each on ice helper to a station (if the practice plan has stations). The on ice leads are required to bring their on ice gear including their track suit, helmet, gloves, stick, skates and whistle.
